Dear Advertiser,

This historic ceremonial event is designed to recognize and honor the significant achievements of African Americans in the field of business and technology here in Silicon Valley. It's not only a way to bring attention to these specific honorees but it's also a way to bring attention to the fact that African Americans, as a people, have played a major role in building this now well-known Silicon Valley.

Many people from around the world have no idea who these African American pioneers and achievers are, their contributions or the impact they've made on Silicon Valley. At our awards ceremony that night, we honor, recognize and contribute to their continued legacy.

The following attached information details how you may place your business, organization or personal congratulatory ad in our inaugural Blacks 'N Business, Blacks 'N Technology Souvenir Booklet.

**** Rates are Introductory for this year only and there is limited space available**.**

Should you desire more information please contact our office at (408) 288-8806 or email us at info@blackchamber.com and we will be happy to assist you.

Thank you for your kind consideration. We look forward to hearing from you.
